Delete table

Delete table **musica** in **US East (N. Virginia)** permanently? This action cannot be undone.

 Proceeding with this action will delete the table and you won't be able to retrieve this data.

- ☒ Delete all CloudWatch alarms for **musica**.
- ☐ Create an on-demand backup of **musica** before deletion.
You can create an on-demand backup of your table for long-term retention and data archiving. You can then use this backup to restore your data to its exact state before table deletion. Additional charges apply for on-demand backup and restore. For more information see [Pricing](#).

To avoid unintentional deletions, we ask you to provide additional confirmation.

To confirm this deletion, type "confirm".
